

A delight for children and bird lovers alike - and anybody else

## Zauberer Zettelwitz - Table Mountain Wizard

Deutsch - English  
by Rosmarie Breuer

With 74 Illustrations by the author and 59 paintings of South African birds by Jill Adams

Ein Witzbold und Fanatiker sammelt Buchstaben  
A prankster and a fanatical collector of the letters from A-Z

This is the first and much lauded book in a series of dual language Zettelwitz books for different regions of South Africa, containing some 60 illustrations of local birds. It is available in a special edition of high quality. **Coming soon:**

Die Towenaar van Tafelberg -  
Table Mountain Wizard

**Versions in preparation:**

**Regions:** Kalahari, Krüger Park,  
Kwa-Zulu Natal, Etosha and Europe

**Languages:** Afrikaans, French, Spanish, Italian, isiZulu and more

My new publishing house specialises in Nature books for children in 2 or more languages and also republishes attractive books that do not deserve to be out of print.

Companies and Institutions can also order special print runs, for example:

"Special edition for the friends of Stellenbosch"
